

## **FOR PAMPHLET**

Fast, Simple, & Reliable Delivery (FSRD)

Everyday

To your doorstep

All you need is to Place Order, and we will ensure its delivery right on time at your doorstep.

## **DIESEL HOME DELIVERY SERVICES**

We are in the Business of Oil & Gas to service both Commercial and End users. Our philosophy is rooted in development of our organisation within the frame work of a spirited and intimate mentality of excellent customer services, which has enabled us to respond quickly to customers' needs.

At Pegas Multiconcept LTD, we provide door-to-door diesel supplies at most affordable price. We put customer's convenience and satisfaction as our top priority. Currently we have vans and trucks in place to serve your logistics requirement, diesel anywhere within Lagos, Ogun states and FCT.

## **OUR TEAM**

The continued dedication from our team of employees from our wide network of home delivery services supports PegasMulticoncepts LTD to nurture cordial relationships and maintain a positive 'can do' attitude.

The diverse markets we serve rely on a strong team to develop valuable partnerships sustained over a long time. We have developed such relationships with our customers and so too our suppliers, allowing us to hone our supplies capability to the delivery required by our customers.

## **OUR SUPPLY CHAIN MANAGEMENT**

Our cycle of delivery is completed at a faster pace thanks to our strategic locations. Our extensive and strategically located products are available for immediate delivery within Lagos. Our experience and understanding of the market drives us to ensure that we have sufficient stocks of standard products to satisfy our diverse customers.

Our supply philosophy is aligned to service three distinct customer categories, End-users and Commercial Supplies, and Industrial Haulage Services.

### **DIESEL DELIVERY AT YOUR DOOR STEP**

Our fleets of vehicles are always within reach to supply you diesel you require.

### **COMMERCIAL SUPPLY SERVICES**

We have in our fleet 42,000 litter trucks that can supply accurate capacity of diesel to your storage tanks. This service will meet the needs of big companies, hotels, restaurants and fast food outlets.

### **INDUSTRIAL HAULAGE SERVICES**

We provide haulage services with our truck to customers that require transporting diesel from one location to another all over Nigeria. Our 42,000 litter truck will meet all your industrial needs anywhere within Nigeria

### **Contact Us**

Our allocated representative will visit you, periodically, in person so you know accurately who manages and oversees your account.
